I need to focus on providing a clue that relates to the BLUE words on the board without overlapping with any existing words, particularly avoiding BANK, which is the killer word. The BLUE words are ROME, CHEST, GERMANY, CRASH, MOUTH, and PIE. I will consider descriptive or related concepts that can lead my team to these words. My challenge is to convey a clue that encompasses multiple BLUE words but maintains clarity. A good approach might be to think about concepts that relate to things commonly associated with these words. For instance, both GERMANY and CHEST bring to mind concepts of exploration. ROME could relate to history or travel, while CRASH might connect to accidents, potentially invoked during discussions about risk during explorations. However, since PIE is a food item, I want to keep the clue broad, yet safe, that does not lead them to any RED words. Thus, I will consider using the clue 'TRAVEL', which can encompass both historical and modern contexts, referring to ROME, GERMANY, and other relevant associations without being too vague. The **BLUE** spymaster's clue is: EXPLORE (3).

Team **BLUE** guesser 0 thinks: Based on the clue "EXPLORE," I think of words related to travel or discovery. "ROME" could relate to exploring a famous city, and "DANCE" might connect to cultural exploration. Let's start with "ROME."

Team **BLUE** guesser 1 thinks: For the clue EXPLORE, I think "ALIEN" relates to exploration. "DANCE" could also connect to exploring cultures. Let's start with "ALIEN" as our guess. What do you all think?.

Team **BLUE** guesser 2 thinks: For the clue "EXPLORE," I'm thinking of words related to adventure or travel. "DANCE" might suggest exploring cultures, and "ALIEN" could refer to exploring outer space. Let's start with "DANCE."

Team **BLUE** guesser 0 said: I believe we should start by guessing 'ROME' based on exploration of places. What do you think?.

Team **BLUE** guesser 1 said: I think we should go with 'ALIEN' first for exploration. It fits well. What does everyone else think?.

Team **BLUE** guesser 2 said: Let's focus on 'DANCE' since it relates to cultural exploration. Thoughts?.

Do you want to talk? [False, True, True]

Team **BLUE** guesser 1 said: Let's go with 'ALIEN' since it fits the exploration theme. I support that guess..

Team **BLUE** guesser 2 said: I still think 'DANCE' relates to cultural exploration, but 'ALIEN' is also a strong candidate for exploration. Let's prioritize based on what we all agree on..

NARRATOR: Team **BLUE** voted: ROME.

A **BLUE word** have been selected (BLUE cards remaining = 5).

Team **BLUE** guesser 0 thinks: Thinking about "EXPLORE," I associate it with "DANCE" (exploring through movement) and "ALIEN" (exploring new worlds). Let's guess "ALIEN" first. What do you all think?.

Team **BLUE** guesser 1 thinks: For the clue "EXPLORE," I think of words like "ALIEN," as they often explore new worlds. "DANCE" could relate to exploring movement. What do you all think? Let's start with "ALIEN..".

Team **BLUE** guesser 2 thinks: For the clue "EXPLORE," I think "DANCE" could relate to exploring new experiences or cultures. "ALIEN" could also fit, as it often represents exploration. Let's consider "DANCE" first..

I need to provide a clue that relates to the BLUE words while avoiding the RED, KILLER, and NEUTRAL words. The words associated with team BLUE are CHEST, CRASH, MOUTH, and PIE. I have to discard any clue that directly matches any of the words on the board to avoid an instant loss. The KILLER word is BANK, which I need to be especially cautious of, as guessing that would end the game immediately for my team. Considering the BLUE words, they relate to themes of money (CHEST), impact (CRASH), body (MOUTH), and food (PIE). I could go with something related to achieving success or gaining resources, like 'TREASURE,' which connects with CHEST and could hint at others. CHEST is a direct correlation for treasure, while CRASH could be interpreted as crashing into a treasure, MOUTH could suggest consumption, and PIE suggests a slice of resources. However, I want to be specific and avoid multiple interpretations. I decide on the clue 'TREASURE' with a number of '3' to highlight CHEST, CRASH, and PIE clearly without misleading my team.

The **BLUE** spymaster's clue is: TREASURE (3).

Team **BLUE** guesser 0 thinks: Given the clue "TREASURE," I think we should consider words related to valuable items or hidden things. "CHEST" (as in treasure chest) stands out. "BANK" could also relate to treasure, but let's start with CHEST. What do you all think?.

Team **BLUE** guesser 1 thinks: For the clue "TREASURE," I think we should consider "CHEST" since treasure is often kept in a chest. "BANK" could relate to treasure, but I feel "CHEST" is stronger. What do you think?.

Team **BLUE** guesser 2 thinks: For the clue "TREASURE," I'm leaning towards "CHEST" as treasure is often stored there. "BANK" could also relate to treasure in terms of savings. Let's start with "CHEST." What do you think?.

Do you want to talk? [True, True, True]

Team **BLUE** guesser 0 said: I think we should go with CHEST first. Ready to guess?.

NARRATOR: Team **BLUE** voted: CHEST.

A **BLUE** word have been selected (BLUE cards remaining = 3).

Team **BLUE** guesser 0 thinks: For the clue "TREASURE," I think we should guess words related to valuables or discovery. "BANK," "BILL," and "GOLD" come to mind, but I don't see GOLD listed. I suggest we start with "BANK." What do you all think?.

Team **BLUE** guesser 1 thinks: For the clue "TREASURE," I think of words like "BANK" (where treasure is kept) and "BOND" (like government bonds). "DICE" could refer to gambling for treasure too. What do you all think?.

Team **BLUE** guesser 2 thinks: For "TREASURE," let's think of words like "BANK," which involves money, or "BOND," which can relate to value. "POST" might also connect to treasure maps. My top guess is "BANK." What do you think?.

Do you want to talk? [True, True, True]

Team **BLUE** guesser 0 said: I agree with starting with 'BANK' as it closely relates to treasure. I also find 'BOND' worth considering. Let's go with 'BANK' first..
